About Cocaine Anonymous...

We are a Fellowship of addicts who meet together to share our experience, strength and hope for the purpose of staying clean and helping others achieve the same freedom. Everything heard at our meetings is to be treated as confidential. There are no dues or fees of any kind. To be a member, you only have to want to quit and show up. We also exchange phone numbers and give and seek support from one another between meetings.

Everyone in these rooms is here because he or she has a desire to stop using cocaine and all other mind-altering substances. Our Program, the 12 Steps of Cocaine Anonymous, teaches us that the best human help an addict can receive is from another addict.

We welcome newcomers to C.A. with more genuine warmth and acceptance in our hearts than you can probably now imagine--for you are the lifeblood of our program. In great part, it is by carrying the message of recovery to others like ourselves that we keep our own sobriety.
